## Public Programme 2017

### Sea Trips – Come and see the Seals!

This trip lasts roughly 4.5 hours and takes you through the Grand Sluice lock then downstream through historic Boston on the River Haven. We pass the Port, any commercial shipping and the fishing fleet on our way to the estuary and into the Wash. Finally we nose up the River Welland to see the bold colony of seals as well as an abundance of birdlife before returning home.

Whilst onboard passengers can buy a hot drink and a snack from the galley, or treat yourself to a tippie from the bar.
